Hello there,

Thanks for reaching out.

Please use our new logo if you're looking to use it on a poster. You can find it in our press-kit here: www.epidemicsound.com/press

That said - while our logo may be used, you may not imply or indicate that we're supporting or sponsoring the event.

Hope that helps but don't hesitate to reach out again if there's anything else we can assist you with.

All the best,

Luke
